Hello Ladies,

Another beautiful Friday, I have the doors open here and I can hear the birds singing. There's a small song thrush that sits in this tree and spends the days singing at the top of his/her voice. I think when I write this letter I'm going to get my runners and go outside into the sunshine for a run. It's so important to take some breaks, after you do some work, and get some fresh air.

Have a look at some creative ideas for May I put up on the homework page this week. 50 ideas to try out when you are outdoors, some art suggestions, some music and some family recipes.

Last week I said I was going to try out some healthy recipes for May. This week I made some spaghetti bolognaise and some butternut squash stew. Most of the time when I'm cooking there might be something in the recipe that I don't have in the fridge or that I don't really like so I just throw in something else. I want my dinner to be tasty and healthy so get the family together and try something new for dinner. I hear there are "Bake Off" competitions going on in houses, maybe try them with a dinner recipe. These were my dinners:

V Ferguson, Acting Principal. Roll No. 18324c. RCN 20119751.

I love when there is good news to tell you and we have great news this week. GREEN NEWS. I'm sure Ms Casey and Ms Slaughter won't mind me telling the news. St Brigid's got an email yesterday and it said...

I am delighted to inform you that your application for the renewal of your Green Flag has been successful. The team at Green-Schools were very impressed with your application, congratulations! Please pass on all our thanks to all the hard-working members of your Green-Schools committees, and everyone in the school.

You all deserve a huge amount of credit for your efforts. The work that you are doing is really having a positive impact, and when the work of all schools is combined it's truly amazing!

Well done everybody for this, a special mention to the Green Committee and the two Green teachers Ms Casey and Ms Slaughter. Ye are only brilliant!!

Thanks for all the photos this week for the gallery, we have projects on Japan, projects on planets and dance, lovely flower drawings, a super junior infant spelling out her name with things around the home. I am very impressed with them all. It cheers me up seeing all the lovely work so keep sending it in.

2nd class ladies, I know this Sunday and last Sunday should have been your Communion days and I'm sure you were very disappointed yet. But remember we have to 'Be Patient' and now we still have it to look forward to instead of it being over. So keep them dresses hanging in the wardrobes and we look forward to a great day when it happens.

6th class, I know your teachers are asking this week to send in ideas that we could do to mark your Graduation in school as we want to make sure it's still a special time for you.

I have said this to the parents but can all girls make sure that it's your parents email address you are using when sending emails to the teachers. The teachers won't be able to reply to you if you use your own email so if you are still waiting to hear from your teacher you might need to send it again from your parents email address.

Ladies, I hope you have a lovely weekend and a great week. I hear tomorrow is going to be the hottest day so far so don't forget the sun cream and lots of water to stay hydrated.

Stay safe and stay healthy.

V. Ferguson
